

# *English Language Laboratory*

# Introduction

- Established in the year 2011-12
- Multimedia Language Laboratory software from ACEN

# Rationale....

- No exposure to the English language outside the college
- Lack of opportunities for the functional use of language
- Low level of linguistic competence among the students

# Objectives

- To make learning interesting and enjoyable
- To use ICT in regular teaching
- To make learning Lerner- centered
- To improve the language skills- LSRW
- To develop functional language skills

# Facilities

- Full-fledged and well- equipped lab
- Qualified and trained teaching staff
- Inbuilt software from ACEN with video lessons on grammar, communication skills and phonetics along with exercises

# Facilities

- **Audio books**
- **Special CDs and books on phonetics**  
**(prepared by EFL University, Hyderabad)**
- **Training and discussion sessions for students.**

# Future Plans

- To make the language laboratory a powerful teaching-learning tool
- To use Language Laboratory for the extension activities of the Department
- To encourage the proper and systematic study of phonetics of English language with the help of Language laboratory

*Thank you*
